

MINUTES
EXECUTIVE COUNCIL MEETING
JUNE 16, 1983
BOSTON PARK PLAZA - STANBRO ROOM

PRESENT: Pres. Osborn, Sec.-Treas. Carpenter, Exec. Vice Pres. Campbell, Vice Presidents Alman, Burke, Cavanaugh, Chigas, Corbett, DeRosa, Devlin, Farmer, Ferin, Ferreira, Fonseca, Heffernan, Irvin, Joyce, Mangan, Mele, Mello, Nestor, Piccuito, Post, Roussos, Scanlan, Walsh, Sec.-Treas. Emeritus Loughlin

ABSENT: Exec. Vice Pres. Lydon (vacation), Vice Presidents Barrett, Beauregard, Clark, Damery, Drew, LeBlanc, Lima, Mahar, Miodonka, O'Brien, Scibelli, Pres. Emeritus Sullivan

Meeting opened at 10:00 A.M. with a prayer by Vice President Post.

MMS to accept minutes of last Executive Council meeting. Passed unanimously.

Pres. Osborn introduced David Davis, Director of Massport, to the Council. Davis made a lengthy presentation to the Council outlining the present conditions at Massport and the future plans. He asked the Council for their support in the coming months for the projects which he explained. Said that there is a public hearing scheduled August 1st and he would like support at this hearing for the plans underway -- major central artery design and expansion, new tunnel and third road to airport. They are seeking two billion dollars in federal funding for these projects. After presentation, Fred Salvucci, Secretary of Transportation, was introduced by Pres. Osborn, and also Chuck Raso, the labor rep. at Massport.

LEGISLATIVE REPORT:

Director Foley explained that he was giving his report early since he had to get back to the State House for the bill having to do with the bond issue for construction of roads and bridges, which was on the docket for today.

He gave an update of his activities of the past month:

- Right to Know - went to the Senate floor for final vote. Gail Monahan passed out information on this, vote in the House was 31-2 in our favor.

- Polling Hours - not in our favor - amendment designed to kill our bill and said the State had to pick up the cost of the extra hours. Cost is minimal, so we expect that we will have the bill out by next week. We will let the Legislature know that we want the bill out without amendments.

COPE REPORT:

Lists are completely cleaned up and keypunched into our computers for the Springfield area. We have purchased the tapes for the area around Springfield. A meeting is scheduled with Charlie Thompson on Voter Registration Drive some time the first of July. Coverage is expected by the media.

On Right to Know, Director Foley met with Rep. Murphy who is helping us to carry the ball in the House. Should be in the House in two weeks.

Sec.-Treas. Emeritus Loughlin, at this time, asked Pres. Osborn why we were not

fighting against the gas and cigarette tax, since Resolution 25 of the Convention states we must fight all types of increases in sales taxes.

Pres. Osborn that this will be investigated and if it is mandated as such, we will advise the Council. He questioned whether these are considered sales taxes, especially the gas tax, but promised to follow up on this question of Loughlin's and get the answers out to the vice presidents.

MMS to accept the Legislative and COPE Report. Passed unanimously.

PRESIDENT'S REPORT:

Pres. Osborn advised that the past month was an extremely busy one. He was active in the following matters:

- attended the IBEW conference in Sturbridge
- attended the IUE conference in Pittsfield
 - . 9 to 5 Women's Organization on the program with Tsognas and Steinham taking part.
- attended City Council meetings on bringing the Navy to Boston.
- OSHA - met with UAW
- appeared at Congressional caucus with Moakley and Shannon.
- attended a fundraiser for the Archdiocese with Tommy McIntyre (Footlight Theater).
- Spoke at a Scholarship Award dinner in Brockton.

President Osborn advised that he received information from Washington, D.C. on a 20th Anniversary March commemorating the Martin Luther King march. They want participation. Anyone interested should contact Pres. Osborn.

Pres. Osborn advised that AFSCME is now involved in a controversy having to do with the contracting out of janitor-type jobs in the areas of Wilmington, Bedford and Burlington.

Pres. Osborn advised that he has been appointed to a task force to clean up Boston Harbor.

A Governor's Task Force on plant closings has been formed and Pres. Osborn urged the Vice Presidents to support this.

MMS to approve Workers Comp. Task Force which will be starting soon, and specifically the following names to be on the task force: Jim Farmer, Co-Chairman, Eddie Burke, Kevin Mahar, Pres. Osborn, Mary Mitchell of Telephone Workers, Bill Davis. Passed unanimously.

Pres. Osborn spoke on the following subjects:

- Right to Know is Corporate Right against the unions. Letters will have to be generated at the proper time to the House.
- Prevailing Wage - greatest victory we have had in a long time. However, they are coming back in force now. Opponents are trying to contest the constitutionality of the prevailing wage. They will supply the money to bust the unions. We have to call back the

committee. This fight never ends. Pres. Osborn has received calls from Gerry Williams Show, asking him to be on with Stephen Tocco. Channel 4 also wants Pres. Osborn on with Tocco.

- Voter Registration in Springfield - Pres. Osborn plans to go out there with Richard Rogers, who has been a tremendous help on this.

Pres. Osborn explained that he is currently trying to form local community labor groups. The purpose will be to give support to the Central Labor Councils to establish the proper image of the trade union movement in the cities and towns. (helpful in strike situation, future candidates for office could be generated). Possibly we could start in areas where are receiving opposition from legislators. Pres. Osborn plans to approach larger unions for their financial support.

Pres. Osborn mentioned that Joe Lydon was good enough to come in this week for the Executive Officers meeting even though he was on vacation and he appreciated Joe's efforts.

Pres. Osborn advised that a training grant is now replacing the CETA Program and this is federally funded. The plan is to have a director and four regional sub-directors to give technical advice to the local unions. Grant is for dislocated workers, and is forthcoming any day now.

There will be 5 full-time director-type positions and one clerical support. Present Training Director Giro Cardinal's CETA job is expiring in September. It would be Pres. Osborn's hope that Cardinal would become Director. Also, Vice Pres. Scanlan has shown an interest in one of the regional jobs. Scanlan has left Western Electric after 25 years.

MMS to have Thomas Scanlan become one of the sub-directors. Passed unanimously.

MMS to have Giro Cardinal become the Director of this program. Passed unanimously.

Pres. Osborn advised that they will be looking for recommendations from the Vice Presidents for other parts of the State. Salaries not yet set, but sub-regional directors will be \$20 or \$21,000 with benefits.

Vice Pres. Irvin thanked everyone who supported him and showed up for his swearing in as Director of MBTA and asked that his thanks be conveyed to the female staff members at the Mass. AFL-CIO.

Vice Pres. Scanlan thanked everyone for their vote.

Vice Pres. Devlin thanked Pres Osborn for coming to their Teachers Convention and for all his kind words.

Vice Pres. Joyce thanked Council for award he received at Gompers-Murray.

Vice Pres. Farmer advised the Council that Vincent Piro had said he was with us on the Prevailing Wage but he discovered that Piro did not vote. Pres. Osborn mentioned that Piro was in the hospital but that his was a favorable vote.

Vice Pres. DeRosa thanked Pres. Osborn and Sec.-Treas. Carpenter for their support and Secretary-Treas. Carpenter for his attendance at the Building Trades meeting - Paul Eustace appeared for the Governor and he felt this was impressive.

With regard to Voter Registration, Vice Pres. Alman stated he would like to see a study done. He knows the Governor is behind it but would like to get the feelings of the House and Senate.

Exec. Vice Pres. Campbell asked for a report on the parade. Pres. Osborn stated that Pres. Lane Kirkland's assistant, Ken Young, asked if we could do everything possible for a successful Solidarity III effort. He wants more marchers than ever before. Russell Campbell and Nello Ricardi are coordinating the parade.

MMS to accept the President's report. Passed unanimously.

MMS to support all efforts for the depressing of the central artery, the forming of a third tunnel and road.

Some opposition to the motion from Vice Presidents Ferin and Mele due to the fact that they had repeatedly requested help to get a by-pass to relieve the congestion in the western part of the state but to no avail.

Also, efforts were underway to support New Bedford and Fall River's requests to get bridges.

Motion then changed.

MMS to present to Fred Salvucci the wishes of the Council and to ask his support in developing projects of concern to our Vice Presidents. Passed unanimously.

SECRETARY-TREASURER'S REPORT:

Financial report noted.

Sec.-Treas. Carpenter reported on the continued growth of the Council by the addition of: Amalgamated Transport Workers - 205 members; Boston Teachers Union - 400 new members.

Sec.-Treas. Carpenter explained that under delinquent locals, Machinists #38, Vice Pres. Post is handling this. Unusual and special circumstances in his local and he is working this out with the Secretary-Treasurer and the Bookkeeper.

On the Governors Task Force on Mature Industry, Sec.-Treas. Carpenter stated that we are shooting to have a bill that will pass the legislature this year. There are three co-chairmen: Joe Duffy, Chancellor of Univ. of Mass.; Ron Anson, Industrialist in Shoe Industry and the Secretary-Treasurer. Committee members from Labor include: Don Leahy, Mary Ann Scibelli, Frank Ceccarone, Paul Winslow and Doug Perry. Regular meetings of these labor people will be held before each meeting of the entire task force. There are three sections included in the efforts of the task force. They are: 1) Trends of under-employment, 2) Finance matters necessary to deal with this problem, and 3) Plant closings. Sec.-Treas. Carpenter will try to be assigned to #3.

Sec. Treas. Carpenter felt that Barry Bluestone should be on the task force but is being kept off because he has already positioned himself on strong notification laws. They put in Reisch, a business rep. Sec.-Treas. Carpenter called the Governor's people and expressed disappointment and concern about Barry Bluestone not being on the task force. They will talk about getting Bluestone on. Announcement will be on June 27 at the EDIC site. Urged support of vice presidents in attending this.

Sec. Treas. Carpenter advised the Council that he is investigating a new phone system, the Horizon System, for the office and quoted figures. He is seeking the help of Vice Pres. Heffernan. He explained how the system will be paid for over six years and will ultimately be more cost effective and more efficient. He will bring the matter up next month, when he has all the information, to the Executive Officers and the full board.

Vice Pres. Chigas questioned the delinquency of AFSCME Local 1730 and said it should not be delinquent. They send their dues in to Council 93 in plenty of time. Sec.-Treas. Carpenter said that perhaps the dues came in after the report was made out. Linda Chigas said she would check into this.

Sec.-Treas. Carpenter advised that the Industrial Union Council was now being revitalized and urged everyone to attend the meeting on June 30th at the Park Plaza Hotel.

MMS to accept the Secretary-Treasurer's report. Passed unanimously.

MMS to allow the President to proceed with development of certain labor committees to assist the Central Labor Councils. Passed unanimously.

MMS to cancel the July Executive Council Meeting because of all the vacations and to refer matters to the Executive Officers. Passed unanimously.

EDUCATION REPORT:

Pres. Osborn reported that the Education Committee met and read essays by the participants in the Scholarship Program. They chose winners accordingly. Pres. Osborn read a list of the winners.

MMS to accept the Education Report. Passed unanimously.

Vice Pres. Devlin had a question on the Executive Officers Minutes of June 15 regarding a problem Council is having with Union Labor Life Insurance Co. Sec.-Treas. Carpenter explained how this Company did not want to abide by its word and we are fighting it. Involves the changing of the interest rate from the promised 14 % down and will result in less interest for the Council.

Vice Pres. Devlin questioned why the AFT was put in the Public Sector and feels it should be in more than one sector, and he will talk more on this in the future.

MMS to accept the minutes of the Executive Officers Meetings. Passed unanimously.

MMS to refer communications to Executive Officers. Passed unanimously.

Roll Call.

Meeting adjourned at 12:25 P.M.

A faint, light-colored watermark or background image of a classical building with multiple columns and architectural details is visible across the center of the page.
